Community Background

Purpose/Mission: The Navy Reserve Intelligence Force is comprised of 4000+ intelligence professionals organized in 81 units at 40 unit locations, in 3 countries, and across 15 time zones. There are currently 530+ members mobilized in support of GWOT or otherwise on extended active duty.

- High demand/low density. Intelligence professionals account for less than 7% of total NAVRESFOR. Over 40% of current NRIP has been or is currently mobilized in support of GWOT. Sustained 300% increase in mobilization requirements since September 2005.

- Provides accurate, real-time intelligence support to deployed warfighters, policy makers, and shore commands, supporting 34 active Navy and Joint commands.

- Tailored intelligence support in multiple disciplines--HUMINT, OPINTEL, MASINT, IMINT, targeting, ISR management, counter-terrorism, watch standing, near and long-term analysis, and briefings at all levels.
